14th December 2010

Dear Customer,

NOTIFICATION OF REVISED FINAL ELECTRICITY DUoS CHARGES FROM 01.03.2011

On 10 December 2010 UK Power Networks provided notice of a change in the definition of the red and amber time periods to be applied to Low Voltage and High Voltage Half hourly metered customers in the London Power Networks area with effect from 1st March 2011.

Please therefore find attached a copy of IPNL's statement of charges that will be effective from 1st March 2011 and which incorporates this change.

If you have any queries please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in cursive script that reads 'G. J. Jones'.
