

**Low Voltage (230/400V) < 16A per Phase
Small Scale Embedded Generation (SSEG)**

**APPLICATION FOR PRIOR DISTRIBUTOR CONSENT
FOR CONNECTION OF MULTIPLE INSTALLATIONS**

One application form to be submitted per multiple installation project

PLEASE Send completed Applications Forms to:

Preferred methods;

Email: enquiries@envoyonline.co.uk or
Fax: **0871 4290426**

Alternative postal method;

Envoy Domestic Connections, Envoy Asset Management, Inexus Group Limited, Driscoll 2, Ellen Street, Cardiff, CF10 4BP

Project Details	
Site / project address (inc. post code)	
Telephone number	
Customer supply number(s) (MPAN) use separate sheet if necessary	
Distribution Network Operator (DNO)	Independent Power Networks
Installer Details	
Installer	
Accreditation/Qualification	
Address (including post code)	
Contact person	
Telephone Number	
Fax Number	
E-mail address	
SSEG Details	
SSEG owners	
SSEG locations within the installation	
Total number of SSEG units to be installed under this project, to include SSEG Unit capacity in kVA and location.	

**Low Voltage (230/400V) < 16A per Phase
Small Scale Embedded Generation (SSEG)**

**APPLICATION FOR PRIOR DISTRIBUTOR CONSENT
FOR CONNECTION OF MULTIPLE INSTALLATIONS**

One application form to be submitted per multiple installation project

Other Information to be Enclosed	
SSEG type verification test certificate, to include the following information: <ul style="list-style-type: none"> • Manufacturer and model type • SSEG rating (A) and power factor • Single or Multi phase • Maximum peak short circuit current (A) • Type of prime mover and fuel source • Contact details – telephone numbers, web address etc. 	
Copy of system circuit diagram within the installation.	
Earthing arrangements.	
Site layout plan showing location of SSEGs - if applicable.	
Declaration - to be completed by applicant	
Comments (use separate sheet if necessary)	
I declare that this installation has been designed to comply with the requirements of ER G83/1	
Name and signature	Date
Accreditation/Qualification	

DNO comments - to be completed by DNO representative following application		
A representative of the DNO will wish to witness the commissioning	yes/no	
As a representative of the DNO, I give, in principle, permission for the connection of these SSEG units. If "no", see comments below	yes/no
